

New Zealand Friesian Horse Society Inc 2022 High Points Awards

Closing date for 2022 Awards: Saturday 20th May 2023

We would like to encourage all members to get out to various events or just out and about with their Friesians, and to enter the NZFHS HPA (High Point Award) competition. This is a free competition open to all NZFHS members. Help us to grow these awards by entering your horse!

The HPA runs each calendar year (Jan 1st through to Dec 31st). These awards are designed to recognise owners for every discipline, as well as for riding just for fun! We all want to promote the Friesian horse breed. There is a variety of categories in the HPA competition to suit everyone:

- Dressage
- Driving
- Showing (In-hand, Ridden and Driven)
- Pleasure Outing
- Demonstration/Display

Six best results of shows or competitions per calendar year are valid for each category, and each result qualifies for only one category allocation of points (i.e. you cannot nominate one outing as both a ridden dressage test and a demonstration).

An electronic scorecard can be downloaded from the NZFHS Inc website: <https://nzfhs.co.nz/>

Explanation of Rules:

1. Show classes including In-hand, Ridden and Driven classes.
2. Score cards have to be signed by an Official or Secretary of the show for points to be awarded.
3. Evidence from an official show website showing horse's placings will also be accepted.
4. Pleasure Outing category points are to be awarded on photo evidence of a member's horse with two or more other horses, a social outing (trek, pleasure ride with two or more horses, riding or driving club outing or event, etc.).
5. Demonstration/Display points will be awarded on evidence of an article or photograph, which shows the horse taking part on the day of the demo or promotional day (eg. Santa parade, horse expo driven or ridden demonstration, or any public outing other than a show class).
6. Dressage points are awarded based on the percentages earned by the horse on the dressage test sheet. Test sheets must be supplied with the completed HPA scorecard. Horses competing at FEI level will receive **double points** on their score percentages.
7. Here is how HPA points are calculated:
